

FRĒPOWER
FOR iPhone 6 PLUS/6s PLUS

CHARGE AHEAD

Endurance lasts only so long. Whether you're hitting the waves, hiking the trails or shooting the slopes, your body and device reach a point of exhaustion. While you dig deep to find your second wind, FRĒ Power refuels your iPhone with its 3,200-mAh battery. At the push of a button, it delivers 2x battery capacity so you can power up, stay connected and charge ahead.

FOUR PROOFS. ZERO DOUBT.

WaterProof — submersible to 6.6 feet / 2 meters for 1 hour

DirtProof — sealed from dirt + dust

SnowProof — closed to snow + ice

DropProof — survives drops from 6.6 feet / 2 meters
