FOR iPhone 6

LIFEPROOF

INTRODUCING
LIFEPROOF FRĒ FOR iPhone 6

The waterproof, drop proof case that takes your iPhone into every adrenaline-filled adventure and back again. With frē, you and your iPhone 6 can go all in and come back with pictures to prove it — because a story without proof is little more than a tall tale.

PLAY ROUGH. GET DIRTY. DIVE DEEP.

There are risks to going all in. But with frē, you never have to think about your iPhone 6, even when the action gets dicey. Go ahead — live and share every experience. frē lets you bring back solid proof that you and your iPhone 6 survived...again.

PROOF IS IN THE PROTECTION

Why leave your iPhone 6 at home, in the glove box or in your pack? With LifeProof, you leave nothing behind. No matter how insane the adventure, you come back with stories to share and astound.

WHY LIFEPROOF?

The extreme use you demand from your iPhone 6 calls for the extreme protection of LifeProof. Waterproof and drop proof, frē equips your iPhone to come back from every epic journey in one piece.

LIFEPROOF FRĒ FOR iPhone 6

Plunge into
the deep end

Dive down for
a full hour

Drop with
confidence

Live
LifeProof

ONE CASE. FOUR PROOFS.

WATERPROOF | Dive deeper | Submersible to 6.6 feet/2 meters for one hour
This protection goes deeper than accidental spills and splashes.
Your iPhone 6 is safe in, on and under the water.

DIRT PROOF | Ride faster | Sealed from dirt + dust
The outstanding water protection also blocks dust and dirt.
Use iPhone 6 on the job, in the field, at the beach — anywhere.

SNOW PROOF | Go further | Closed to snow + ice
frē keeps water and dirt out, so it's perfect for blocking snow and ice.
Take iPhone 6 into the wilds of winter without worry.

SHOCK PROOF | Play harder | Survives drops from 6.6 feet/2 meters
Drops are the No.1 cause of iPhone 6 damage. frē exceeds military drop specs to protect iPhone 6 from the most common mishap.

lightest LifeProof
case ever made

Full screen
protection and
functionality

Works with
Touch ID

Anti-reflective
optical-glass
camera lens

Complete access
to buttons, ports
and controls

Maximum
sound output
and clarity

LAB TESTED

WATER TEST

All cases are factory water tested. Then random units undergo additional independent inspection, including a second water test. Cases that pass are shipped. Failures are scrapped.

MIL STD 810G-516.6

The U.S. Military Standard for drop and shock protection. It requires that LifeProof cases physically withstand the drops, fumbles, vibrations and bumps you encounter day to day.

IP-68

The international standard for Ingress Protection (IP). 6 and 8 are the highest ratings for solids and liquids. Cases rated to the IP-68 standard keep dust, dirt and water out.

SPECS

Dimensions: 5.93" x 0.46" x 3.09"
Weight: 1.232 oz **MSRP:** \$79.99

TOUCHSCREEN PROTECTION

Featuring a built-in scratch protector, frē keeps iPhone's touchscreen flawless and Touch ID fully functional. This protective membrane is so clear and so thin, you barely notice it's there — until you're glad it is.

UNLEASH THE REMARKABLE

Action and adventure are primal urges. And to satisfy them, you need to go places, do things, take chances and be free. You need to feel your heart pounding in your chest and the icy rush of adrenaline in your veins.

Sharing your taste for adventure, LifeProof makes products that let you live life with no limits. Keeping your device protected and you connected, LifeProof is the freedom to unleash your remarkable.
